WELCOME TO

TRIPOLY STUDIO

tripoly studio has been involved in the work of 3d rendering since the time it was just a basic concept. 10 years back, when the world was juggling with the initial understanding of 3d. we had developed a rich portfolio of high definition 3d rendering, visualisation and designing. it is this varied experience of ours which makes us one of the top 3d service providers of india.

we are a specialized, integrated and high end visual effects boutique. our sphere of expertise lies in developing three dimension visual effects, animations and post production. our differentiation is in the innovative way in which we make use of digital technology and the emphasis that we maintain on the details of the final delivery.

based in 5 locations of the world, i.e. ahmedabad, surat, mumbai, pune & UAE , we have worked with global clients from varied industries. our prowess to convert plain two dimensional ideas into superior three dimensional infrastructures has been experienced by clients from such industries as advertising, real estate, interior decoration, hotels, etc. they have all appreciated the seamlessness with which we manage to fit their requirements into our offerings.

THE FIRST THING THAT IS WORTH NOTING ABOUT US IS THE SOLID TEAM THAT WE HAVE IN PLACE.

OUR WORK IS OUR PASSION

THERE ARE IN ALL 60 CREATIVE 3D ARTISTS WHO LEND THEIR ARTISTIC TOUCH TO MOST PROJECTS.

WE NEVER COMPROMISE ON THE TECHNOLOGY

OUR RESEARCH TEAM ALWAYS LOOKS OUT FOR NEWER AND BETTER TECHNOLOGY, AND WE UTILIZE THE SAME TO ENSURE THAT OUR SERVICE EXUDES ROBUSTNESS WITH A CONTEMPORARY FEEL.

THIS IS AN UNQUESTIONABLE ASPECT OF OUR SERVICE. WE HAVE BEEN IN THE INDUSTRY SINCE THE TIME WHEN MANY PEOPLE DID NOT EVEN KNOW WHAT 3D RENDERING WAS; LEAVE APART COMPREHENDING ITS UTILITY. DURING THE PERIOD OF EXPERIENCE AND THAT HAS LENT US AN EDGE OVER THE OTHERS.

WE HAVE LEARNT EXTENSIVELY

AWESOME CLIENTS THAT THINK WE'RE AWESOME

Due to our lofty standards of work, our clients value the association. They not just continue to work with us for a long period of time; they recommend our services to others too. Following are certain things that our clients have said about us:

"When I worked with the team of Tripoly, I was very happy. They told me that they were going to develop 3D stuff for me, and I couldn't believe that it could actually happen. However, when I got my brochure and the other material, I was very happy to see the work. I will like to thank you for all your cooperation."

– An IT firm from Mumbai

"We have been working with Tripoly since the last 2 years, and we are thoroughly excited about the services that they have offered. Given that we do not belong to the technology industry, we never knew that such great things can be developed. We thank Tripoly for having produced such fantastic 3D work which has helped us get more customers ."

– A real estate client from Ahmedabad

"You people are really good. I can say this because you came up to my expectations. As an interior designer, when I show those 3D walkthroughs to my clients, they get really impressed. They tell me that my work is extremely professional. A part of the credit goes to you."

– An interior decorator from Mumbai
